## PRESIDENTS MESSAGE

The time is here again to decide which areas to put in for you big game hunts. Some us to way up north and some of us go to Lincoln county. The last couple of years the governor's mule deer tag have been filled in the Lincoln county area. This area has been in the news lately as some of the area has been earmarked to put in wind turbines. A lot of discussion has been created because of this. Cory Lytle who is the chairman of the Lincoln county citizen board for wildlife has been leading this fight to have them relocate the wind turbines. I will try to get him to be one of our luncheon speakers in the coming months.

A big thanks goes out to Joe Luby III and his crew for putting together another banner banquet. This year we had a little over 200 guest attend. Even with the economy declining our attendance has been rising. We are still the best value around town when it comes to banquet with \$1.00 raffle tickets. The time has come and gone for renewals. Those that have not renewed this will be your last GameBag so get your money in.

Our monthly event for April is our annual Spring Feast, but this year we have a little twist....we are having a swap meet along with the feast and the shoot. The food will be served at noon and the shoot will start right after everyone is done eating but be sure to come early if you want to participate in the swap meet.

The biggest news of the year is our membership drive was very successful. Thanks to Ken Johnson and his committee, they we able to bring in over 30 new members so let's extend a big hand to these new members. Perhaps they will be future marksman of the year or angler of the year. Our most prestigious award is the Sportsman of the Year and after meeting some of our new members I will guarantee you that some of them will be Sportsman of the Year. Some of the new members even remarked that they can't believe they didn't get involved earlier! Let me be the first to say welcome to the new members!

Mike Reese president

Special thanks to Art Encounter and Aire Serv Heating and Air Conditioning for sponsoring this month's GameBag.  
Take a look at their ads on the back!

### What's for Lunch?

Herb Roasted Chicken, Homemade Meat Loaf with Brown Gravy (another editor favorite), Garlic Mashed Potatoes, Mixed Green Salad, Rolls and Butter, Strawberry Shortcake. Yum!

I got this from long time member Lou DeGregorio

Here is a photo from this year's Dan Perry Memorial hunt in Pierre SD. We hold this event every year in January. Club members include Jim Pope, Jack McGuire, Myself, Richie Ray, Kerry Miller along with son's Levi Pope, and Westin Miller. Lots of birds and LOTS OF SNOW !!!

Pictures of Tulsa quail hunt with Neil Dillie, Mike Reese, and Aaron McCoy.

And this from Joe Luby III

The first ever LVWWC Coyote Hunt was held Saturday March 26th. In attendance were me, my son Jack, my girlfriend Lauren, Neil Dille, Mike Taylor and...oh yeah that was it! All the other big tough coyote hunters backed out at the first sign of a cloud. Us diehards had a great time sitting around the campfire Friday and Saturday night in Hiko. Saturday morning was more campfire stories with a little bit of target shooting thrown in for fun. Then we headed out after Wily. Neil and Mike tied with 3 dogs each and my son and I got 3 between the two of us. If no one believes it, tough. That's our story and we're sticking to it. You weren't there to dispute our numbers! We really had a great time and wished more LVWWC folks had made the trek even if just for the campfire sitting.

From Kim at Putter's:  
Stratosphere Tower Climb

Hi. We wanted to include a "Thank you for the Support" in the GameBag. We climbed 1000 feet in under 18 minutes and raised \$1000.00, breaking our record from last year. Thanks to the group and their donations.

## Las Vegas Woods and Waters SWAP MEET and Spring Feast April 16th

The new year is here, spring is upon us. Spring means two things, the LVWNC Spring Feast crawfish boil and time for some spring cleaning. So why not combine them both. Lets all clean out the closet, the garage, and the extra storage unit. We all have outdoor equipment that we no longer use or have never used so why not swap some gear with other guys in the club? Lets hold a huge garage sale at the Spring Feast. Bring your gear and set up a table to sale, swap, or trade with guys in the club.

Big stuff, small stuff, old stuff, new stuff.....lets clean up the house to make room for some other stuff! Anything goes...truck, boat, camper, trailer, quad, motorcycle, all the accessories, helmets, clothes, bags, racks, propane tanks, camp stoves, chairs, boat motors, camp gear, tents, stoves, shade structures, guns, knives, scopes, clothes, boots, fishing rods, reels, tackle, nets, decoys, ice fishing equipment, calls, radios, gps, bino's almost anything is acceptable. Mike Taylor can keep his custom made leopard ladies cowboy boots for another time. Maybe you want to swap wives or girlfriends? Just make sure they approve of the deal first.

Maybe you won something at lunch you haven't used? Maybe you have some things you haven't used in years, bring it out and try to get rid of it. Everyone needs room for different stuff. See you there!
