PRESIDENTS MESSAGE

In case you haven't noticed yet the triple digits are here! One way to cool down is to head to Mt Charleston where the temps are 20 -30 cooler. On a Sunday in June I did just that. I had the good fortune of being invited to go on a 15 mile trail ride with fellow members Steve Reiter, Gordon Warren, and Danny Riddle. Danny was kind enough to let me ride one of his mules to help get it into shape for the hunting season. After a few miles I didn't know which ass was getting back into shape....mine or the mule. After the ride it was determined the mule was in better shape than the ass riding it! Thanks Danny for the trip.

This month's speaker will be Don Turner. He will be informing the group on what gun bills passed, what ones didn't and what ones almost passed. He will also let the group know what we can do as individuals to have our voices be heard.

Speaking of voices being heard, last month's speaker Cory Lytle did a very good job of letting us sportsmen know about the potential wind turbine project that is being proposed in area 23. I hope most of you attended the public meeting on the 11th Of July at the NDOW building. I also email in my comments and I planned on speaking at the open forum.

Our speaker for August will be member Jelindo Tiberti. He is an official scorer for Boone and Crockett. He is going to demonstrate how big game animals are measured for the record books and I will be bringing a deer head for him to measure. This will be a luncheon you won't want to miss!! Please remember this is also a bring your kid to luncheon month. If you bring a guest for the first time then its only \$25 for you and your guest and you both get door prize tickets. I want to personally thank Joe Luby for taking a kid outdoors. You will recall in last month's edition Joe turned in a feature story about taking a neighbor kid with him and his son. There has been talk about doing some events for the kids and I think we will be holding a turkey shoot event in Nov for kids. Speaking of Turkey shoots....at our last board meeting we had discussed holding some buddy shoots and some Annie Oakley's at the Wed night league shoot. Please let me know how many people would be interested in this.

The Sporting Clay course design at the new shooting park of north Decatur is just about complete as far as how many stations and the layout out. Unfortunately the ground breaking is slated for Feb 2012 and completion by fall 2012.

See you at the luncheon

Mike Reese , President

What's for Lunch?

Green Salad With Assorted Dressing, Beef and Chicken Skewers on a Bed of Ginger Rice Pilaf, Steamed Vegetables, Mixed Fruit Salad Over Pound Cake. Don't miss it!

ARCHERY EVENT*

BOWS AND BILLIARDS AND BBQ

Saturday July 23rd 2-5pm

Sean Cassidy is the honcho for this year's Archery event. It will be held at Silver State Archery which is located at 6250 Mountain Vista. They will have bows to rent or you can borrow one from another member. The fee is \$15 and it will be paid back using the lewis class system. Sean has it setup to shoot and then go next door and play billiards while the BBQ is cooking. This is where they held the event last year that some of you attended. If you have any questions please call Sean at 371-1612.

***Marksman of the Year Event**

See you there!

I got this from member Joe Luby III

I Won the Lottery!

If you were at the meeting last month, you heard me lament about not drawing a mule deer tag this year. I blamed it on the reduction in deer tags made by the NV Wildlife Commission. However, the folks that run the tag drawing were kind enough to ease my pain by making sure I still got a chance to hunt...and hunt...and hunt...and hunt. That's correct, I drew FOUR big game tags in NV this year! Here they are in the same order the seasons run: black bear starting in August, female antelope in September, bull elk in November and desert bighorn sheep from late November into December. Plus, I can still get some deer in the freezer because my son Jack drew his junior mule deer tag which we'll hunt in October! So I have a big game hunt every month of the year starting in August. I will be one tired, scraggly (maybe I'll lose a few pounds!) and broke SOB come Christmas. But it will be the absolute hunting year of a lifetime and I can't wait!

Thanks,
Joe

Air Conditioning and Boys of Nevada Pest Control for

I have honchoed this event for a few years but this is the first year I will be hunting with my black powder rifle (drew a NV deer tag). I really want to get my gun dialed in and make sure I do alot of shooting before this fall rolls around. We had another good turn out for the black powder shoot this year, 25 shooters and a few more spectators. This is turning out to be a well attended event. The club provides all the shooting supplies and some food too, this year I got too many sandwiches to make up for the shortage last year. The weather was warm and a bit breezy, good conditions to be outside shooting the smoke poles.

I was a little concerned with that many shooters on the length of time it would take to shoot so after a few warm up shots we all shot 4 shots for score. (we could have shot a couple more as time would have it). The format was 50 yards, open sights, off hand with no resting on the shooting tables. There were 2-3 shooters that had never shot black powder before and this was a good introduction. We encourage all members to come out to our events and try something new or polish up on existing skills, either way it's a fun time.

John Fenner brought back a nice target with TWO bulls eyes and a score of 31.....however that was only good enough for second place. Angelo Tiberti was the overall winner with 32 points. The scores ranged from a high of 32 to a low of 6 but the final score isn't the main measure of success. We used the Lewis Class system to award prize money and 12 of the 25 shooters walked away with smiles and a couple bucks in their pocket. The whole event went pretty smooth and we were cleaned up and headed home around 8:30, thanks for everyone's help, we have a small amount of supplies stockpiled for next year, so be sure to come out and shoot with us.

2011 Black Powder Shoot

A side note, make sure you remove the ram-rod from your black powder barrel prior to pulling the trigger. Member John Gorman was nice enough to demo what happens when this occurs. Safety first!

GONE FISHIN'

Coming next month, the all fishing issue of the GameBag, I need some pics and some great fishing lies from the membership. The issue will be featuring fishing stories in honor of our annual Striper Tournament. LTKO@cox.net. I'll be looking out for yours!
