## PRESIDENTS MESSAGE

Well it's that time of year again when the leaves start to change and the weather cools off. You guessed it...hunting time. Most of us have already warmed up on morning doves and even some archery hunting. This president is still licking his wounds as I have been unsuccessful for any big game tags again. My son got another archery cow elk tag in which he quickly filled so My freezer wont be empty as I even have Salmon left over from my Alaskan fishing trip in July.

This time of year the club starts planning for the 2012 year which will start on Jan first. First think we need to do is get 5 new board members. Board members attend a meeting once a month for about one hour. We help plan the direction the group should take on finding everything from guest speakers, club events, help find new members, help obtain club donations. Its actually a fun time as we get to work with great friends. We help put together articles for the GameBag and we all have dinner at the same time. Anyone interested in being a member of this great board please contact myself or Ken Johnson.

For those of you that are bear hunters you will be glad to know that the state wildlife board voted to make it permanent hunting season. The quotas will be set yearly like all Nevada wildlife quotas.

Randy Weaver is the banquet chairman this year and he will be looking to see what member want to help plan this great event. This years banquet will be held on St. Patricks day at the South Point Casino. We have had some great banquets in the past and I don't see that changing.

In Nov we will be having a silhouette shoot and in Dec we will be having our famous 3 gun shoot. So stay tuned to the GameBag for more details.

See you at the luncheon,

Mike Reese Two Time president

Special thanks to  
Aire Serv Heating and Air Conditioning, and Boys of Nevada Pest Control  
for sponsoring this month's GameBag.

## Basic Defensive Pistol Craft Course

8am – 4pm Saturday, Oct. 29<sup>th</sup> at the Education Center at Clark County Shooting Range

Our own in-club expert, Don Turner, is offering a rare opportunity for club members to get qualified training in defensive pistol techniques. The course will consist of an introduction to the modern technique of pistol craft consisting of dry fire and live fire training and practical exercises. This is not a tactical course so there will be no steel shooting, running or rolling around on the ground. We will do that in the advanced class.

Each shooter will need:

- Gun belt with holster on strong hand side that is capable of drawing.
- NO cross draw holsters, inside pants holsters, ankle holsters, shoulder holsters, butt holsters or clip on holsters. **Strong hand side belt mounted holsters only**
- Semi auto handgun or revolver (that fits your holster)
- Three magazines or two speed loaders (that fits your handgun) and a pad or piece of carpet to drop empty mags or speed loader onto from standing position
- Mag pouches for two magazines or two speed loaders (that fits your magazines or speed loaders)
- Hat
- Safety Glasses
- Ear protection
- Note pad
- Pen/pencil
- 300 rounds of ammo (that fits your handgun)
- Band-Aids (to fit your fingers and thumbs)
- Sunscreen
- Closed top shoes or boots, no flip flops, sandals, open top shoes, or bare feet
- Bag to put your spent brass in if you want to save it
- Staple gun and staples, or one roll of 1" masking tape
- Pistol cleaning kit (for your handgun)
- Cleaning rug, pad or towel to place on the table
- Folding lawn chair
- Sack lunch
- **Do not bring loaded handguns or ammo into the classroom.** All of the classroom exercises will be with unloaded firearms.

Don is an AZ POST Certified Instructor for tactical rifle, tactical shotgun, tactical handgun (28 years), watercraft instructor, anti-terrorism instructor, hunter education instructor. He taught advanced and tactical firearms to game and fish officers for 28 years, taught at state police academy and at various other police agencies. He developed the departments two week officer survival program, and attended Gun-site Academy for basic and advanced pistol craft studies.

The course is \$25 for members but you MUST RSVP to Mike Taylor (245-2012 or [mike@acnow.com](mailto:mike@acnow.com)) before Friday, October 28. Complimentary coffee & rolls will be served in the morning, and we recommend bringing a sack lunch. All training targets are also provided. See you there!

**WOODS & WATERS STRIPER TOURNAMENT** was held on Sat. Aug. 27. There were lots of laughs and lots of fish. With most everyone arriving early or on time, lots of grief was given to the Head Honcho Randy Weaver when he arrived at 5:15 instead of 5a.m. (I planned it that way).

Fishing was free and no betting for biggest or most fish, maybe too early in the morning for bragging!

With 2 fishing guides and lots of enthusiasm the day started right at dawn and fish started filing the coolers.

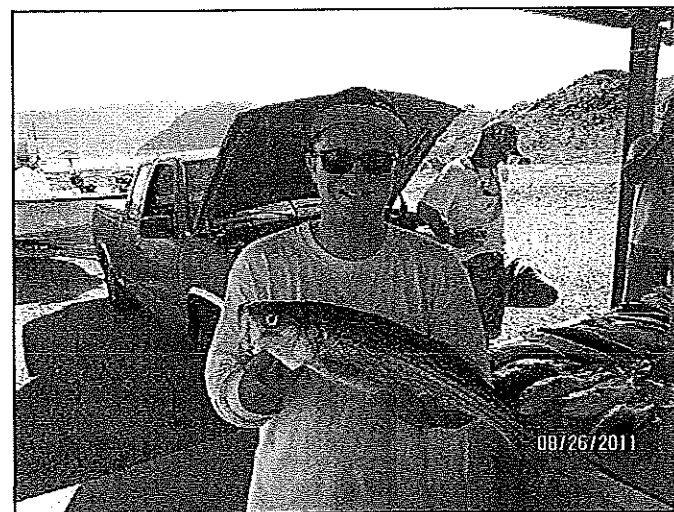

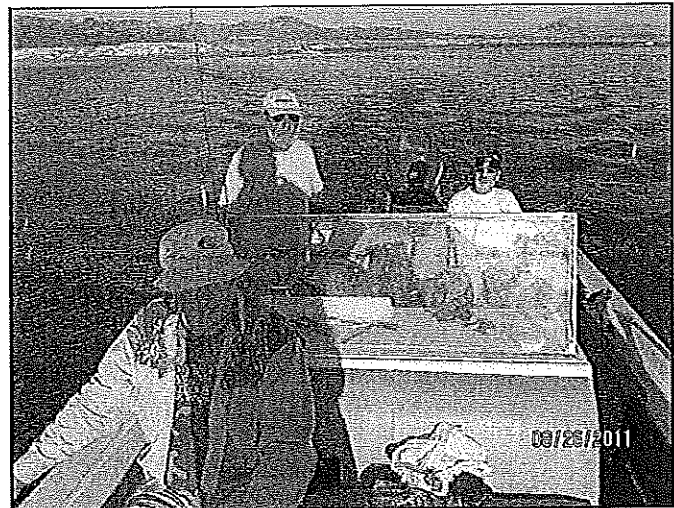

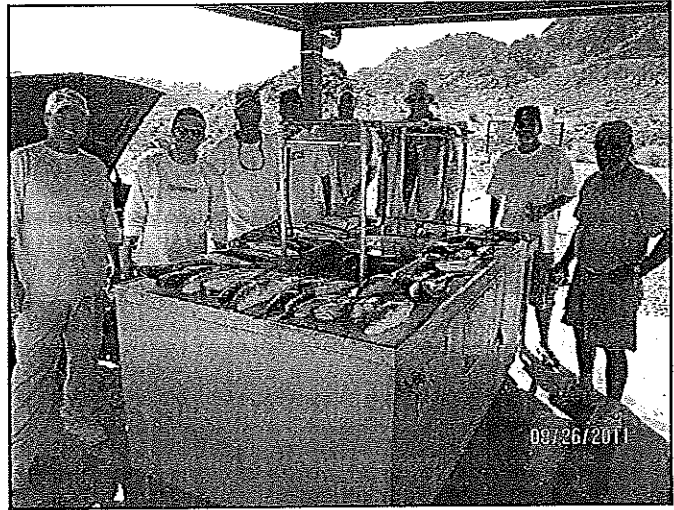

It was a beautiful morning and just a few clouds which helped keep the heat off our smiling faces as we were catching fish and having a great time.

About half way thru our adventure we decided to look for bigger fish, so out to deeper water the group traveled. Upon arriving the fish started to boil, it was then that Mike Taylor accidently cast his pole into the water (thought maybe he was going to fish from the bottom up at that point). Only it wasn't his pole. It was Mike Swartz's (the fishing guide's pole). Since this was not Mike S's first rodeo - cool heads prevailed and the pole was retrieved from the depths of Lake Mead. The boil was over and the other boat had several big fish. Mr. Taylor aren't you the guy that owns some female cowboy boots.

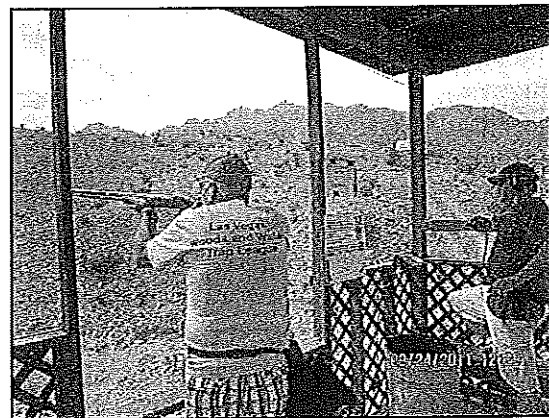

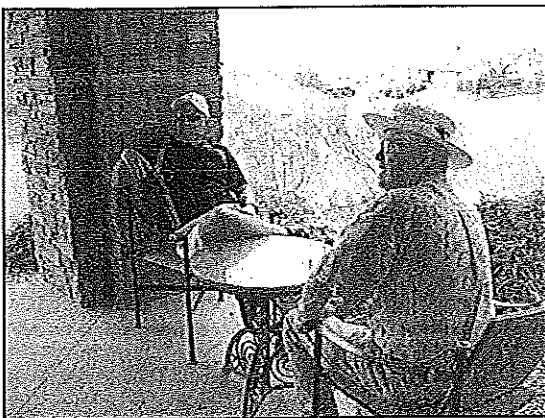

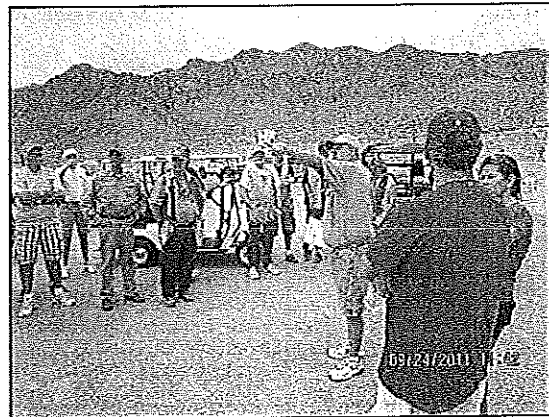

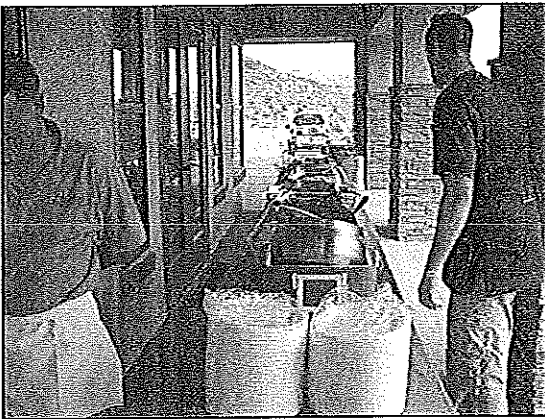

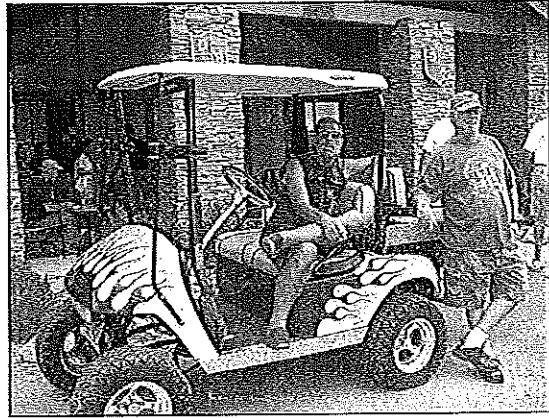

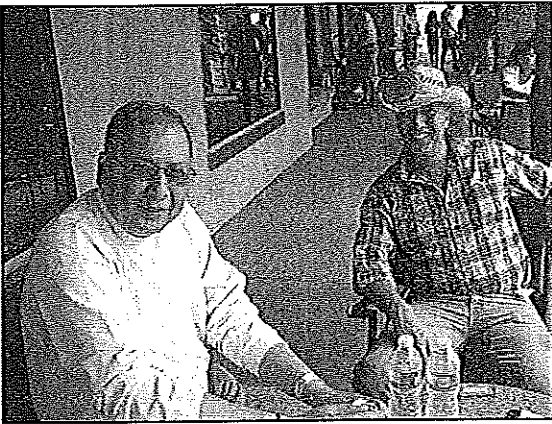

Dallas Snieder (Wes's boy) caught the biggest and got the booby prize. 2<sup>nd</sup> biggest went to Mike Taylor and Scott Meservey. They will probably have to share 2<sup>nd</sup> place points for Angler of The Year. Art Daniels had a boat full of people and I think a fish or two but didn't see Art after mid-morning. Art thanks for participating. Hope all had a good time and can't wait till next year's extravaganza.

After picture taking and cleaning fish, breakfast was at the Denny's inside the Fiesta Hotel for a little cool air and fish stories.

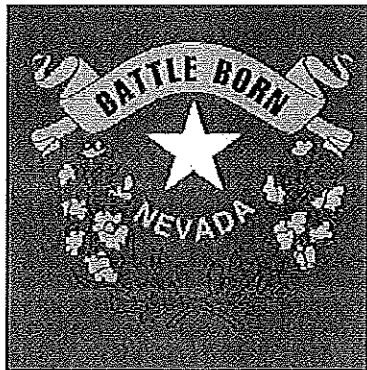

Special thanks to Mike Swartz FishVegas.com  
And our other guide Anglers Edge.
