## June 10th Lunch Program: Mike Reese Legislative action updates

### BLACK POWDER/SMOKE POLE SHOOT

Brian Patterson will again honcho one of the most popular Marksman of the Year events, the Black Powder shoot. Don't have a gun and all the supplies required? Problem solved. Several members have guns you can borrow and the Club provides all the shooting supplies (club supplies 50 cal only for those with other calibers please bring your own supplies). The last few years the shoot has been won by someone shooting a borrowed gun.....it's not the gun but rather the guy behind the gun that makes it shoot well.

The shoot is set for June 13th at the Clark County Shooting Complex CCSC Education Center. We have the 100 yard range reserved from 0800-1200. Sign ups will begin at 0730 with shooting set to start at 0815. Cost to shoot is \$20 with most monies set to go for Lewis Class payouts. Coffee and donuts will be provided. The exact format has yet to be set by the honcho, but we will be shooting free-hand no supports with open sights (no scoped rifles allowed, just like the NV hunting regulations). Shooting will be at paper targets, format will depend on the number of shooters who sign up and the amount of supplies purchased by the club. We may have some time/supplies for practice shots or we may elect to forego the practice and shoot more shots down range that count for score. We may shoot at multiple distances. Honchos choice. See the photo of past targets and the groupings of five shots, are you impressed or are they laughable? Come out and shoot for yourself and then decide if these are some of the better groups or some of the worst groups.

This will be the second event for Marksman of the Year. If you have a desire to compete for the top Club award you need to shoot as many events as possible. Currently the Reese clan is holding three of the top five spots in the standings, surely there is some talent out there that can compete with them. Come out and enjoy the fun of shooting blackpowder and open sights. Helpful instruction is readily available if you are new to blackpowder.

Next meeting Wednesday July 8th, 12 noon at Charlie's Lakeside located at 8603 W. Sahara (Sahara and Durango) price 20\$

## Presidents Message.....Sean Cassidy

It's hard to believe the year is almost at the half way point and we are just hitting the start of summer.

The club is in full swing with lots of great energy and a few new faces coming on the heels of some great events. I want to thank the board for working through our Give Back Committee recommendations and getting them all allocated well before the May 30th deadline. As we are working forward please note that in the upcoming two months board meetings we will be setting the banquet budgets and will be working on approving some

great specialty items for the 25 year anniversary banquet. Please feel free to attend even if your not on the board as all ideas are welcome. Steve Linder will be our banquet chair-man.

Hat's off to the crew of the Big Fish Matters fishing tourney in Panguitch on May 30th... A great time was had by all. 20 members and friends got together under great weather at Mark Gallear's cabin for a feast and great evening of poker and horseshoes. A big thanks to Mark and his partner Rod Mally for putting the event on and putting everyone up for the night. Congrats to Mike Reese for the winning the big fish award, and to Mark for catching 16 in just a half day under slower than normal fishing conditions.

This was a great first time event and will definitely be on the calendar for next year.

Tags are out, so congratulations to all who were lucky in the state draw. We will be sharing notes at the monthly luncheon so if you have a question or need some advise be sure to speak up as we will have an open forum.

Hope to see everyone at the luncheon

Enjoy the Summer....

Sincerely, Sean Cassidy

LVWW President 2015

**BIG GAME Tag Draw results are out, share the story of your fall hunt in the GameBag, everyone likes a good story, and pictures too.**

# SIZE MATTERS

Panguitch UT fishing recap.

Mark Gallear and George Marnell opened their cabins for great accommodations and Rod Maly was the honcho of our first (hopefully not the last) SIZE MATTERS fishing event. Twenty LVWW members and family showed up to fish on Saturday. Top honors were almost a foregone conclusion when you take into account that the winner of the event spent 8 of the last 10 days fishing the lake. Rod set up the event to give each fish caught one point and a bonus 10 pts for the BIGGEST fish and 5 pts for the 2nd biggest fish. Non-member Steve Scott had the biggest fish at 20 inches but membership has its privileges....he did not get credit for it in the contest, Steve soon paid his membership after the event. Member Mike Reese had the

biggest fish and the bonus 10 pts but it wasn't enough to best the overall most fish caught by Mark Gallear. Mark was the winner of this Angler of the Year event and Rod presented him with a LVWW coin (his second). Take a look at the photos, everyone is all smiles with their catch, almost all the fish were caught using power bait or worms. A few were landed on spinning tackle and Brian Patterson was able to boat only one fish each day with his fly rod.

The Club stepped up to provide the food for a big dinner Saturday night at the Gallear cabin. Mark and Larry Cusamano and Mike Reese handled the cooking duties and no one was left wanting more. Afterwards there was a small card game with 2 big winners. George Marnell was the last man standing after going head to head with Scott Reese. He picked up \$180 in the prize pool but the real winner was Rod Maly, he collected \$200 and was out of the game in 4th or 5th place.....that's a great story for the lunch crowd, ask Rod if he's "Gotta Minute?" to tell the tale.

The whole event is exactly what this club is all about getting together enjoying the great outdoors, we fished, we sat on the deck with a good smoke or cocktail, we saw wildlife (many deer walked right through the yard), we played horses or cards and we spent time with good friends.

Top: overall winner Mark Gallear, Left Al Scholen, center Bill Dempsy and right Larry Cusimano all showing off the nice rainbow trout from Panguitch Lake. Thanks again honcho Rod Maly.

*The nurse gave him a serious, deep look, straight into the eyes, and he heard her slowly say, "You may not feel anything from the waist down."*

## Fishing Trip on Horse Back In the Ruby Mountains

By Hidden Lake Outfitters

Only for the Adventurous of Heart

If you are tough, want an adventure and have \$750.00 plus tip you are invited to go on the fishing trip of a lifetime. On the morning of the 25th of July 2015 we will "saddle up and move em out" headed for the tops of the Ruby Mountains and some pristine fishing lakes VIA old Paint.

### The Agenda

#### DON'T FORGET TO GET A FISHING LICENSE

Arrive at the Danny Riddle Ranch sometime Friday, the 24th, time is on your side. You can arrive any time it is convenient for you. If you get there early you can spend the day fishing in the Ruby Marshes or lounging around telling lies and waiting for dinner at 5:00 pm. The trip will take about 7 hours just short of 400 miles. Drive up 93 headed for Wells, Nevada, about 30 miles before you get to Wells, do not go to Wells unless you want to, there will be a junction, highway 229. Turn west, go about 14 miles then turn left again, headed south, do not go north, there will be a stop sign. About 2 miles the pavement will end, continue on about 1.5 miles. Danny's ranch is on the right side there is red reflector tape on the post by the gate. If it is after dark the red reflector will save you spending the night in your car.

There are wild animals so make sure you close the gate.

Coffee will be ready at 6:00 am Saturday morning, if you want or need a little more for breakfast bring whatever tickles your fancy, breakfast burritos or whatever you want. The meals from that point on will be provided by Hidden Lake Outfitters until we return Monday evening. The Monday evening meal will be on you, we can drive into Wells or head home.

Remember, we will be on horseback so time will not figure in the equation. We will leave the mountains Monday morning and arrive at the Riddle Ranch when we get there. Some of the time will depend on you, how much time you want to fiddle fart on the way home.

New members: Steve Scott

Welcome to the club make sure president Sean Cassidy gets you a new hat at lunch, invite a friend to join the club. If you see a new face at lunch say hi, introduce yourself and welcome the guys to the club. Invite them to one of our next shoots or outings.

**Who wants to Honcho a club event?** We need guys to step up and put together events for all of us to enjoy. Depending on the event it takes a couple phone calls to secure the location then run the event as you see fit. As the honcho you get to make the rules, shoot for accuracy or speed or both? Off hand or strong hand? We will try anything that is safe. How about combining 3 or more types of shooting in one event? A fishing event or a shooting event we need some new things to do. How about a Lee's Ferry or Willow Beach fishing trip? A long distance rifle shoot, how many guys have actually taken a shot over 500 yards or 1000? We used to hold a bowling pin shoot that was always well attended and alot of fun. Contact Sean Cassidy or Rod Maly. We can keep the old events or rotate in some news in their place.

Panguitch photos: George Marnell, Rod Maly and Steve Linder with stringers of fish. Mark Gallear getting top honors from Rod Maly, Ken Johnson with his catch and Sean Cassidy with one of his rainbows.
