Presidents Message:

June has passed and our Marksman and Angler of the Year competitions are turning into runaways. Alan Stone continues to impress with his accuracy no matter what the weapon. At the Black Powder Shoot he borrowed Ralph Willits muzzleloader, (which has a right handed thumb hole stock, he shoots left handed) and whipped all comers. Can Reese, Pabst or Willits overtake him??? Larry Cusimano has a lead and all he has to do is show up for the Striper tournament next month to insure his second straight Angler of the Year award. Larrys goal is to win enough event winner coins to make a belt with! We have another award for this year which is a combination Marksman/Angler high points award. The combo high point award needs a name.

July features; The Ruby Mountain Horseback fishing Trip sponsored By Danny Riddle(This is a bucket list item not to be missed), and the Annual Mike Taylor Poker Tournament at CCSP. See you at this months luncheon, great door prizes by Rod Maly and keep up to date with whats happening in the LVWWC.

Black Powder Shoot Recap

Honcho Brian Patterson had a great day of weather; partly cloudy, warm and a slight breeze for the event to make up for the past two fishing events that had terrible cold, windy, wet weather. Twenty shooters came out to enjoy the fresh coffee and donuts supplied by the club and shoot some muzzle loading rifles. Those that didn't have a gun of their own borrowed one from someone at the event. A few practice rounds were allowed on targets set at 25 yards. Just as everyone was feeling comfortable at that range the completion began with the targets moved out to 50 yards and then 100 yards.

This event follows Nevada muzzle loader hunting regulations that only allow open sights. Open sights shooting free hand with a heavy muzzle loader separated the men from the boys. The club provides all the shooting supplies, 5 rounds were shot at 50 yards then 5 more rounds were taken at 100 yards. Several targets returned to the scoring table with less than 10 holes in the paper. Scoring was adjusted so those shots at 100 yards were worth more points than the 50 yard tries. President Steve Linder showed up in his Daniel Boone coonskin cap.....looking good is one thing, shooting good is another. We may have to pass that coonskin cap each year to the winner of the event.

Results for Marksman of the Year Points went to Alan Stone 1st, Ralph Willits 2nd, Don Turner and Mike Lussier tied for 3rd, Brian Patterson 4th and Julius Fortuna was 5th. Eight of the 20 shooters collected money in the Lewis Class. Alan also earned a club coin for winning the event.

Past years have resulted in some issues with guns mis-firing, guns jamming, bullets getting stuck in the barrel, shooters unfamiliar with their gear having difficulties forgetting the powder or the bullet, ram rods being left in the barrel and shot down range etc. I am proud to report no ram rods were harmed in the holding of the event this year. See the picture of Ralph Willits ram rod decoration, he won't forget to remove his ram rod again. How about Steve Linder looking the part in his coonskin cap?

I have been the honcho of the Black Powder shoot for over 10 years and this was one of the better shoots, thanks to all that attended and those that came out knew their equipment. We had few if any issues with the guns and everyone seemed to have a good time. There were a few more shooters last year but we had plenty of supplies and plenty of time to shoot. More fun is in the works for next year. Come out and try it.

HIDDEN LAKES HORSE PACK FISHING TRIP

The Woods & Waters fishing trip to Hidden Lakes is July 15-18. Danny Riddle will have a Dutch Oven meal ready Friday evening on the 15th at 7pm, and places to bunk and park RVs at his ranch.

Saturday morning on the 16th of July departing Henry Krenka's ranch about 8am, by riding the Krenka Creek Trail to Hidden Lakes. We should arrive at camp early enough in the afternoon to fish before dinner.

Sunday we can ride horses to Robinson Lake to fish for Brook Trout from float tubes.

On Monday we depart Hidden Lakes after breakfast and fishing time. The intention is to be back at the trailhead in time to drive back to Vegas before midnight and be able to arrive at work on time Tuesday morning.

Cost is \$750 per person, we plan for each person to bring about 50 pounds of gear; their own sleeping bag, booze,

fishing gear, coat & rain gear.

We provide a saddle horse, safety briefing, food, tent and pack the gear. I have a couple of float tubes, if you bring your own you will likely use it at Robinson Lake because it is reedy & marshy around the edges.

The Lahontan Cutthroat in Hidden Lakes qualify for one of Nevada's Native Fish Slam. Last year Steve Linder caught the record LHT for Hidden Lakes. No one has submitted an application for the lake record for Robinson Lake Brook Trout, so it is open. Steve Linder had several close connections for catching 2 fish per cast last year at Robinson.

Questions call Danny Riddle 702 595-8755 dmulerider@gmail.com this will be the third year the club has done this trip, all who have gone have raved at the great time and good food. Hurry to hold your spot.

Camp last year, ride in.

Jurassic Classic 2016 August 19-22 Only 60 people have a chance to fish for giant pre-historic white sturgeon in Chilliwack British Columbia on the Fraser River. Just 30 (2) man teams will compete. LVWW members Rod Maly and Steve Linder are signed up, Rod won the opportunity at the Fraternity of Desert Bighorn banquet. All the funds raised will be put toward sheep projects in British Columbia.

The Jurassic Classic Sturgeon Fishing Committee is pleased to announce the 2016 Jurassic Classic Fishing Derby. The tournament will take place August 19th – 21st, 2016.

The Jurassic Classic is an annual sturgeon fishing tournament on the majestic Fraser River in beautiful Chilliwack, British Columbia, Canada. Thirty professionally guided teams, consisting of 2 anglers each, will enjoy two full days of fun-filled fishing adventure and will be treated to first class hospitality, with all proceeds raised going to wild sheep projects in British Columbia.

The BCWF (BC Wildlife Federation) and WSSBC (Wild Sheep Society of BC) have teamed up with Great River Fishing Adventures to offer a world-class sturgeon fishing opportunity. This weekend is an all-inclusive experience including excellent meals, a live auction, poker tournament, awards banquet, and great prizes. This is also an amazing opportunity for affiliates to add some friendly competition to the tournament and bring home bragging rights for the year while supporting wild sheep projects.

Each team consists of two anglers, with two teams per boat. In total there are 15 boats, 30 teams, and 60 fishermen. Great River Fishing Adventures has a fleet of twenty modern river jet boats and will provide professional fishing guides throughout the weekend.

All funds raised by the Jurassic Classic Sturgeon Tournament will be directed toward projects that will further wild sheep initiatives in British Columbia. BC is well known for its diverse sheep populations with two Thinhorn species of Stone's and Dall Sheep, as well as both Rocky Mountain and California Bighorns. The BCWF and WSSBC are dedicated to supporting wildlife, habitat, and conservation projects. Through this joint collaboration, fundraising dollars will be directed toward wild sheep in BC and 100% of the profits from this event will be put towards 'keeping sheep on the mountain.'

We are always looking for photos and stories for the GameBag.....remember if you like to read about other members adventures they would like to read and see about yours. Send photos and stories to admin@lvwoodsandwaters.org so we can all enjoy your success. The long days of summer are here so no excuses send in some stories or photos of your hunts last fall or camping and fishing adventures this summer.

Have an idea for a shooting event or want to honcho a fishing event? Contact the warden, Rod Maly 702 227-0220 or anyone on the Board. We are always looking for a new fun thing to do.....who wants to step up and honcho a long range rifle shoot? Something to get all those that drew a big game tag this fall a chance to get out and get their rifle ready for the hunt. It's hot outside, how about someone with an air conditioned warehouse space holding a BB gun shoot? Think outside the box come up with something fun everyone can enjoy. Maybe it's just a group get together to shoot some pool or throw some darts at a local watering hole. Paintball? Go-carts? Horse shoes? How about combining a few things for an Iron Man event of some sort. Maybe 3-4-5 events that move around the valley including a poker run type event. Longest cast, most accurate cast anything that sounds fun. Remember guys this is your club to do as you see fit.....be creative come up with a social event that revolves around the shooting, hunting or fishing pursuits. We just celebrated the 4th of July.....how about a club 4th of July BBQ event, classic cars, swimming pool? Can the club purchase and put on a fireworks show for the members and their families?

Jokes

Students at a high school were assigned to read 2 books, "Titanic" and "My Life" by Bill Clinton.

One student turned in the following book report, with the proposition that they were nearly identical stories.

His teacher gave him an A for this report.

"Titanic": Cost – \$29.99

"Clinton" : Cost – \$29.99

Titanic: Over 3 hours to read

Clinton : Over 3 hours to read

Titanic: The story of Jack and Rose, their forbidden love, and subsequent catastrophe.

Clinton : The story of Bill and Monica, their forbidden love, and subsequent catastrophe

Titanic: Jack is a starving artist.

Clinton : Bill is a bullshit artist.

Titanic: In one scene, Jack enjoys a good cigar.

Clinton : Ditto for Bill

Titanic: During the ordeal, Rose's dress gets ruined.

Clinton : Ditto for Monica.

Titanic: Jack teaches Rose to spit.

Clinton : Let's not go there.

Titanic: Rose gets to keep her jewelry.

Clinton : Monica is forced to return her gifts.

Titanic: Rose remembers Jack for the rest of her life.

Clinton : Clinton doesn't remember anything.

Titanic: Rose goes down on a vessel full of Seamen.

Clinton : Monica.. Ooh, let's not go there, either.

Titanic: Jack surrenders to an icy death.

Clinton : Bill goes home to Hillary – basically the same thing
