## December 12th Lunch Program:Jelindo Tiberti North Am Slam elections

### **December 15<sup>th</sup> Three Gun Shoot LAST MARKSMAN OF THE YEAR EVENT!**

Once a year we get to shoot a MACHINE GUN and this event is it. The format is shooting a semi-auto pistol, a semi-auto rifle and a **fully-auto machine gun, no bump stock, the real deal**. Those of you new to the club are in for a treat, regardless of the Marksman of the Year standings it is always fun to shoot something you don't get to do everyday. Often the machine gun has been the deciding factor in the final standings.....can you hold it on target to empty a full magazine? **NO SHORT BURSTS**. Honcho Dave Famiglietti from New Frontier Armory will be supplying the guns and ammo.

Details for the shoot will include 10 rounds with the Glock 19 9mm pistol, 10 rounds with the AR-15 semi-auto and 20-30 rounds with the MP5 full-auto. Dec 15<sup>th</sup> CCSC 100 yd range at the Training Center sign ups start at 8am shooting to start soon after. Cost will be \$25 including Lewis Class payout money

The Angler of the Year has been decided, and the All Around standings have mathematically been decided (Famiglietti has a 22.5 pt lead over Reese) BUT the Marksman of the Year is still undecided and the top two are only separated by 1 point. So even if you are not in the running come on out, it should be fun to watch as see who gets bragging rights for the next year as Marksman of the Year. The Club will provide coffee, donuts etc.

**DECEMBER LUNCH special attendance drawing.** Remember for each lunch you attend during the year you get a ticket in the bucket for a \$100 gift card to Sportsman's Warehouse. If you made all 12 lunches you will have 12 tickets and a chance to win 1 of 5 \$100 gift certificates. Even if you only attend the December lunch you will get a ticket so show up for lunch. Must be present at December lunch to win.

### **BOARD MEMBER ELECTITONS!**

With the new year come new blood on the Board of Directors and Officers for the Club. There are 5 out going board members (Magdi Ghali, Jim Baxter, Julius Fortuna, Ken Johnson and Neil Dille, thanks for your 3 years of service) These five need to be replaced and the Club Officers selected. The same faces seem to be doing all the work for the club, time for a change and new ideas, contact president Dave Famiglietti or committee chairman Ken Johnson to get involved.

### **December 24<sup>th</sup> Christmas Eve Club Tradition get together**

Mark you calendars for this long standing club tradition of gathering on Christmas eve to socialize and have a good time. We meet at Richardo's Mexican Grill at Flamingo/Decatur at noon. Wish each other happy holidays grab some lunch or mostly a drink or two. We tell stories from the past year and select a FUBAR from one of the events then raise a toast of Jack Daniels to past member Dan Perry. All are welcome.

**Next meeting Wednesday January 9<sup>th</sup>, noon at Charlie's Lakeside located at 8603 W. Sahara (Sahara/Durango) price \$20**

## Presidents Message

MERRY CHRISTMAS! If you're reading this we made it to the end of the year!! I think as a club we had a great year filled with fun events and great get togethers. As we roll into the busy season for everyone, I won't keep you long reading my ramblings.

I know our club is not geared towards politics, but please get involved when you can at least on a local level this coming year. We're going to face an uphill battle for our second amendment and hunting rights these coming years on both a local and national level with our new blue Governor and like minded individuals to him taking office all over the US next month. If we want to be able to pass our favorite pastimes down to our kids and grandkids safely we have a lot of work to do, make it a new years resolution to help in any way you can!

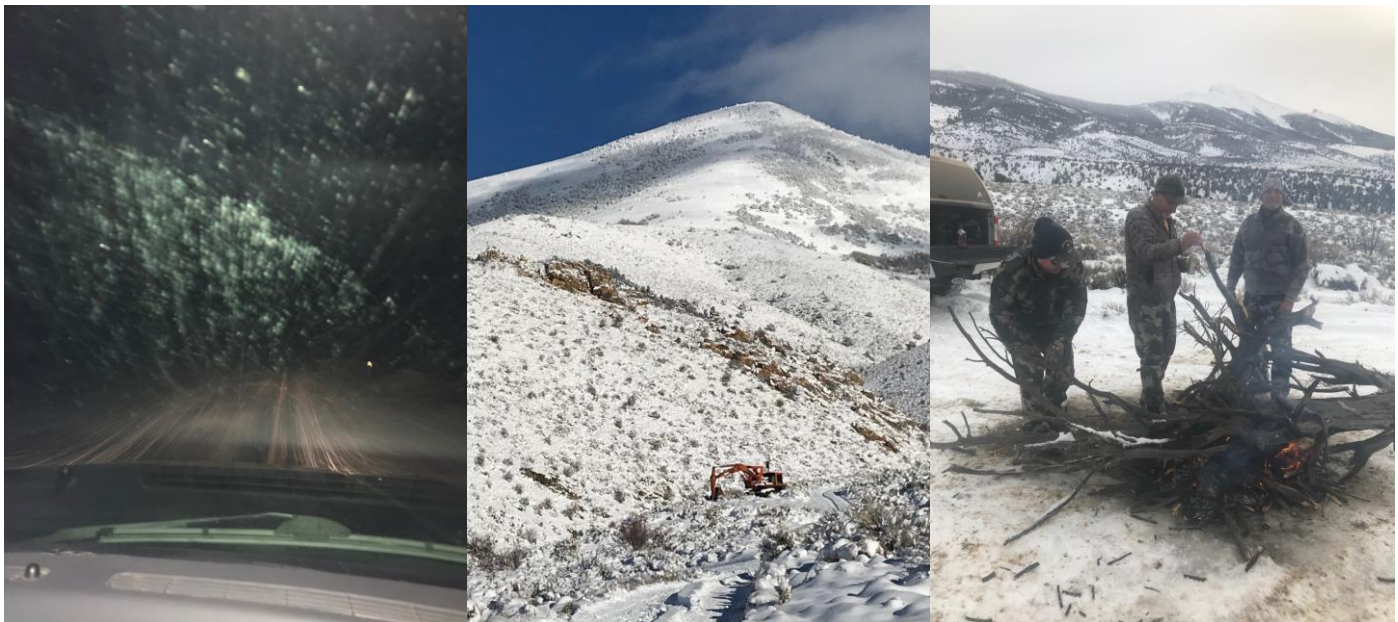

I'll be heading east to spend the holidays with my family like I do every year, but if you're in town I heard the Christmas Eve get together at Ricardo's is the place to be -- One of the years I hope to be in town so I can make it out.

We have our end of year machine gun shoot coming up this month which is always fun. I've been petitioned by the board to not allow any burst firing this year, so hold on tight while we run those 30rd mags down in the blink of an eye!

I hope everyone had a very Merry Christmas and a Happy New Year!!

That's about all I have, and as always, if you have any suggestions, bitches, gripes, complaints, or ideas, don't hesitate to contact me at [DFamiglietti@newfrontierarmory.com](mailto:DFamiglietti@newfrontierarmory.com)

# TURKEY SHOOT RESULTS

Honcho Don Turner put on another fun event. The format was simple enough, knock down the 5 steel turkey targets with as many shots as you wish (need) then you get only 10 shots at the paper turkey target which will count for your score. The targets were set at 50 yards and were special splatter targets with red (10 pts) in the "kill" zones of the head or spine and yellow (5 pts) for the other areas of the body. See the target. Don also established a 3 pt and 2 pt area near the head and neck. Some soon realized the small head shot target although worth the most points was also the hardest to hit with a good possibility of getting only 2 or 3 or even 0 points. So after the first line of shooters gave the others this insight many strategists elected to shoot at the lower left corner of the target, a much bigger zone for success. Getting 10 shots in the body would net you 50 points. A perfect score of 100 for 10 shots in the kill zone would be extremely difficult. As it turned out the HIGH score for the day was 52 by Larry Cussimano. Everyone enjoyed the format and the required skill as well as some strategy based on the targets.

Top shooters for Marksman of the Year points were Larry with 10 pts, Randy Peters 9, Mark Forsstrom 8, Brian Patterson & Mike Reese 6.5, Mike Lussier & Mike Taylor 4.5, Jeff Jorgenson 3 and the rest of the field of 23 shooters all got 1 point. Lewis Class money winners were Cussimano \$80, Peters \$50, Jorgenson \$80, Michael Reese, Fred Huntowski & Neil Dille each got \$15 in the second flight and Ken Johnson \$80 & Frank Mirabelli \$50 in the third flight.

Again a big thanks to Don Turner for setting up the shoot and ALWAYS changing the format to make it fun and exciting. This time we had 2 minutes to complete the shoot which was more than enough time but having that little clock ticking in the back of your head adds a bit of anxiety and may cause a few rushed or missed shots. Good job Don. The club supplied coffee and muffins as well. Don't miss the last shoot of the year the 3 Gun Shoot on December 15<sup>th</sup> at CCSC.

Mike Reese and Brian Patterson trying their luck.

## Don't ask too many questions

A mother is driving her little girl to her friend's house for a play date when the girl asks: "Mommy, how old are you?"

"Honey, you're not supposed to ask a lady her age. It's not polite."

"Okay. How much do you weigh?"

"Now, really! Those are personal questions and are really none of your business."

Undaunted, the little girl asks: "Why did you and Daddy get a divorce?"

"Enough!"

Later, the little girl complains to her friend: "My mom won't tell me anything about herself."

"Well," the friend tells her, "all you need to do is look at her driver's license. It's like a report card. It has everything on it."

That evening, the little girl walks up to her mother and announces: "I know how old you are. You're thirty-two."

The woman is taken aback. "How did you find that out?"

"I also know that you weigh 130 pounds."

"How in the world do you know that?"

"And," the little girl says triumphantly, "I even know why you and Daddy got a divorce."

"Oh, really? And why was that, little Miss Know it All?"

"Because you got an F in sex!" \_\_\_\_\_

## Trump vs Pelosi

The President and the head of the Democrat Party, Nancy Pelosi, are arguing extensively over allowing immigrants into our country. Nancy, of course, wants free access to everyone who wants to come in, while Donald wants us to secure our borders and insure only the right people come in.

Instead of going to a costly, time-consuming nationwide vote on the matter, they agree to a 3-day ice fishing contest to settle the issue whoever catches the most fish at the end of the 3 days will have his or her process implemented.

The two decide that a remote frozen lake in northern Wisconsin would be the ideal place. No observers on the fishing grounds, but both would need to have their catches verified and counted each night at 5 PM so they use a neutral park ranger station.

After Day 1, Trump returns to the station with a total of 10 fish, while Pelosi comes back with nothing.

Day 2 finishes and Trump catches another 20 fish, but Pelosi once again comes back with nothing.

That night, Pelosi and her liberal cronies get together and accuse Trump of being a “low-life, cheating piece of scum.” Instead of fishing on Day 3, they are going to follow Trump and to spy on him and figure out how he is cheating.

Day 3 finishes up and Trump has had an incredible day, adding 40 more to his total.

That night, Pelosi and her democrat cohorts get together for the full report on how Donald was cheating.

Pelosi stands up to give her report and says, “You are not going to believe this. Trump is cheating because he's cutting holes in the ice!”

And this, my friends, tells you the difference between a businessman and a career government politician.
