Presidents Message

Happy May! Spring is one of the best times to enjoy the outdoors in so many ways. Enjoy the last month of this weather before we get into the scorching summer months. Lots of fishing, shed hunting, hiking, and camping out there to enjoy.

I was lucky enough to get out for long weekends in the field twice last month. The first was to cash in my Nevada turkey tag on an amazing Rio Grande in the Overton area. Taking the #7 state record I was beyond proud after a few hard days of hunting with fellow club member Cody Boor. It was my first turkey hunt and definitely a huge learning experience. I can now tell you that there won't be a year from now on that I miss that spring turkey application and you shouldn't either! It was super exciting and so much fun calling these big birds in. It was a great mix of spot and stalk and still calling to trick these birds into shooting range. The best way I can describe it is the thrill of spot and stalk big game hunting with the up close and personal feel of bird hunting. Trust me, if you haven't experienced it yet you need to get out there and try it.

The second was making my first venture out to Otter Creek Reservoir for the LVWW Club's annual fishing trip and our April angler of the year event. It's a hidden gem being just a short drive from Las Vegas. We caught some awesome 2.5 - 3 lb Brown and Rainbow trout upon arrival and pretty decent fishing the next day as well until the wind retired us back to camp. As always with our club events it was a great time with tons of new friendships made. It was great to see some of the fishing "veterans" teach a few of us youngsters about fly fishing while we were there. The attendance was amazing with over 20 club members making the trek and we had a fun poker tournament as well. Rumor has it there was a few cases of wine and a few bottles of whisky drank by the fire that weekend, but I wouldn't know anything about that. Thanks to Ken Johnson for getting this event together with another record turnout.

We had an amazing Spring Feast once again with a sporting clays tournament put on by Mike Reese and a literal FEAST prepared by Kyle Otto and his daughter. It was a very well attended event and people left with full bellies and smiles on their faces. Great job again guys, thanks so much for all your hard work!

Not much to report from this month's board meeting, 10 of our members attended the CAB meeting in lieu of having a board meeting. Thanks to you guys that came out, it helped us gain support for the heritage tags that we've applied for to auction off at our banquet this February.

I hope to see many of you at our upcoming marksman and angler events. [We have a rimfire rifle silhouette shoot Thursday night, the 10th of May at CCSC and then the annual "Size Matters" fishing trip to Panguitch lake June 1st -3rd.](#) The Fraternity of the Desert Bighorn banquet is on May 19th and tickets are still available -- This banquet is always a great time with lots of familiar faces.

Thanks again for your support -- don't forget to bring a friend to a luncheon or club event soon!

That's about all I have, and as always, if you have any suggestions, bitches, gripes, complaints, or ideas, don't hesitate to contact me at DFamiglietti@newfrontierarmory.com

Spring Feast Event results

Kyle & Kallie Otto our cooks for the past 15 years AWESOME JOB AGAIN!

Mike Reese was the high gun with a score of 93/100 earning 10 points toward Marksman of the Year. Clayton Philipp was 2nd and Fred Huntowski came in 3rd Mike Taylor was 4th and a tie for 5th was Scott Reese and Dave Famiglietti. The weather was great and the food after the shoot was top notch. We had 38 shooters and roughly 45-50 for lunch. This is a great opportunity to bring the whole family for a free lunch, more members should take advantage of the opportunity, many were able to take home a doggie bag of food for later.

Otter Creek Res. Fishing Results April 28, 2018

Honcho Ken Johnson did a great job on selecting a date with good weather. Last year we struggled with hurricane force winds and huge white cap waves. This year we had clear warm weather at the start but the wind did show up just prior to the 12 noon weigh in. Fishing was slow for most of the 20+ anglers that showed up. Not that the fish were not there, they were, we consistently saw them swimming along the shoreline and they would follow your lure or fly in close but just didn't want to commit, which was frustrating at times.

A pattern seems to be emerging those that honcho the event seem to be winning the event? Mike Reese won the sporting clays shoot last month and this time honcho Ken Johnson won by the slimmest of margins. His fish weight was 2.12 lbs and son Russ Johnson and Al Scholen tied right behind at 2.06 lbs. Ken stated in the rules that adding fishing weights to your fish would be prohibited, yet his fish was exactly the weight of one split shot heavier than second place.....hmmm we have to wonder?

The winners earning Angler of the Year points are as follows:

Ken Johnson (10), Russ Johnson & Al Scholen (8.5ea), Dave Famiglietti (7), Ken Swierski (6), Mark Transue (5), Brian Patterson (4) no fish were entered for (3 and 2) points even though Cody Boor and Steve Carpenter both caught fish (they stayed true to the catch and release method) and all others got (1) point.

More fun was had on both Friday and Saturday nights, the camp fire was held down by several die hard guys stretching their fish stories past mid-night. Saturday night was also the night for poker, we had two tables going and a little money changed hands but not so much as to dampen the fun. Time was split playing cards and watching the hockey game. The base of operations the RocknR Ranch did a great job with dinner and keeping us comfortable. Some coordination needs to take place next year on the rooms as we had a couple guys solo in a room with 5 or 6 beds. Doubling or tripling up would save some costs for all, even though \$70/night is a good price.

LVWW CLUB REQUESTS HERITAGE TAGS

LVWW Club has requested NDOW for a Heritage turkey tag, deer tag and an antelope tag to be auctioned off at our annual banquet. This is strictly a "pass through" as far as the funds generated goes but is a great drawing card to get better attendance at the banquet. There will be an agenda item at a future CAB meeting and again at the State Wildlife Commission meeting to actually determine which sportsman's groups will receive which tags. We will keep everyone informed of those dates so we can have better attendance and support to get one or two of the tags requested. Stay tuned for additional information.

“all we want to do is hunt, and fish and talk about it”

Jokes

Alaskan Hunters

Two Polish hunters got a pilot to fly them into the Canadian wilderness, where they managed to bag two big Bull Moose.

As they were loading the plane to return, the pilot said the plane could take only the hunters, their gear and one moose.

The hunters objected strongly saying, "Last year we shot two, and the pilot let us take them both...and he had exactly the same airplane as yours."

Reluctantly the pilot, not wanting to be outdone by another bush pilot, gave in and everything was loaded.

However, even under full power, the little plane couldn't handle the load and went down, crashing in the wooded wilderness.

Somehow, surrounded by the moose, clothing and sleeping bags, Roman and Stefan survived the crash.

After climbing out of the wreckage, Stefan asked, "Any idea where we are?"

Roman replied, "I think we're pretty close to where we crashed last year."

The wife said "here's \$40, get the dog a warm jacket, if there's any money left' get yourself a beer."
